

Neue Maschinenbau Halberstadt GmbH donates 3000 Euros to Social Associations

With the approaching end of year and festive season, **Neue Maschinenbau Halberstadt GmbH (MBH), Halberstadt**, has counted on its clients' and partners' understanding in foregoing this year's corporate Christmas gifts to them, in order to donate instead an appropriate amount to Social Associations in Halberstadt.

Upon visiting the associations and witnessing their social activities and contribution to the community, MBH was pleased to make a donation to each of 3 Associations: the ***Rauhe Haus***, the ***Wärme Stube*** and the ***AWO***.

The donations were announced on Thursday the 4th of December 2008, during a reception at MBH, Rudolf-Diesel-Straße, Halberstadt. In a friendly atmosphere around coffee, Christmas cakes and sweets, MBH's Managing Director, Mr. Kurt Schroth, presented each association with a symbolic cheque amounting to 1500 Euros to the Rauhes Haus, 1000 Euros to the Wärme Stube and 500 Euros to the AWO.

The Agenda also included a speech from the MD and a tour in the factory and power plant. Four kids from the Rauhes Haus and the AWO attended the event as well and were delighted with the sweets and the power plant visit.

The Rauhes Haus takes care of children with family and social problems. They offer the kids a hot meal per day, play with them, help them with their homework and share with them a little bit of warmth.

The Wärme Stube offers the homeless and jobless a hot meal, clothes, but also a shelter in the cold of winter.

The AWO takes care of children, couples and families with social difficulties.

Our company is naturally committed to the development of the city Halberstadt, and contributes to the improvement of our surroundings, and notably to the preservation of our environment. Always keen to remain at the edge of technological advances, we have proved, among other, to be a pioneer in the fuel conversion field with the development of our Conversion Modules. On the social level, we seek to support those who dedicate themselves to assist the weaker ones in Halberstadt.
